

Disclaimer

1. We, aacat fintech Limited and aacat Technology Limited and/or their affiliated companies ("aacat"), make no advice, offer, recommendation, arrangement, representation or warranties, express or implied, including, without limitation, any warranties on merchantability or fitness for any particular purpose or the use or exercise of reasonable care and skill in providing or delivering any services on or through aacat platform or the timeliness of services offered or provided on aacat platform. You are responsible for ensuring that you use of aacat platform in compliance with all applicable laws and regulations.
2. We shall not be liable for any loss or damage (including direct, indirect, incidental, consequential, special, or punitive loss or damage) incurred in whole or in part as a result of your access or use to aacat platform and related data, including but not limited to any defect, error, omission, imperfection, fault, mistake or inaccuracy with aacat platform, as well as any loss, damage, or expenses incurred due to the inability to provide platform services or your access to aacat platform.
3. We hereby solemnly remind investors that using internet for trading carries inherent risks, including but not limited the transaction instructions being interrupted or delayed, and data errors occurring due to factors such as data transmission across the Internet and mobile telecommunication networks; the risk of others gaining access to information stored on a mobile phone, including account details and passwords, in cases where the phone is lost or passwords are not securely stored; errors or delays in market information caused by factors like malicious attacks on mobile telecommunication networks or Internet, or failures of network server; mobile devices and software systems are illegally attacked or infected by viruses, affecting market information and trading order; the mobile phone configuration, performance or software system is incompatible with the trading system provided, leading to unavailability; failure or error in trading order due to improper or inexperienced operations of mobile phones; failures in trading order inquiries caused by communication network issues unrelated to our mobile application.
4. Under no circumstances shall we be liable to you or any other party for any losses, whether direct, indirect, incidental, consequential, special, or punitive loss or damage, or any damages of any kind including but not limited to loss of data, profits, revenue, or use. This applies regardless of whether such losses arise in tort, contract, or otherwise in connection with your access, use of, or your inability to access them.
5. The information and data provided on the aacat platform are for reference only and are not intended for trading or investment. The product features on aacat are solely for informational purposes and should not be construed as recommendations for you to purchase or sell any securities products in your personal account or any other account.
6. We do not represent or warrant the correctness or reliability of any information, content, or advertisements obtained through aacat platform related services. We are also not responsible for quality assurance for any products or information that you display, purchase, or obtain through advertisements, information, or offers on the aacat platform.
7. aacat, AASTOCKS.com Ltd, HKEX Information Services Limited, Shanghai Stock Exchange, Shenzhen Stock Exchange, The NASDAQ OMX Group, Inc., New York Stock Exchange, LLC., Japan Exchange Group and other market data services providers, along with their subsidiaries, holding companies and affiliates, will endeavour to ensure to providing accurate and reliable information, but cannot guarantee absolute accuracy and reliability, and will not be liable for any losses or damages resulting from any inaccuracies or omissions.
8. The information and content of our website(s) and mobile application(s) (collectively referred to as "aacat platform") are provided based on the current status and existing situations. Subject to change without notice, please pay close attention to the latest developments of aacat platform.

9. We do not warrant and assume any responsibility that including but not limited to the accuracy, completeness, timeliness, or reliability of the information; the completeness, errors, omissions, viruses, or potential changes, erasures, additions, or damages to anything related to your software, data, or equipment due to the published information; messages sent over the internet will not be intercepted, destroyed, or lost; the aacat platform will be continuously available and uninterrupted; or defects in the aacat platform will be corrected.

Investment involves risk of loss as the price and income of the investment may move up and down and the investment may become valueless. There is an inherent risk that losses may be incurred rather than profit made as a result of the investment. Before making any investment or decision, you are recommended to consult independent professional advisors.
